

### Playful Monkey Beaker Vase

Beautifully designed by Deborah Sears of Isis Ceramics, Oxford, England. Her studio works in a 17<sup>th</sup> century combination of fine white earthenware and natural pigments, reminiscent of Tin glazed, found in museum collections.

Play Monkey is a whimsical pattern with satirical monkeys inspired by the singeries of monkeys in costumes of the 1700's. The monkeys are engaged in the activities of sunbathing, Clement, dancing, Candace, snacking, with Fife, who is named after a banana, and gardening with Judge Wiggly.

**product dimensions:**

diameter: 6"  
height: 12.25"
